- Lesson 30: Final Research Project Release & Certificate of Completion Requirements
- Lesson 31: Final LIVE Q&A

Module 6: Ethical & Legal Considerations in Medical Astrology

- Lesson 32: Ethical & Legal Considerations in Medical Astrology

Bonus Lectures

- Chiron in Medical Astrology
- Transpluto in Medical Astrology
- Ceres in Medical Astrology

"Thank you for a wonderful class. This has been my favorite class that I have taken in Astrology. It is so amazing to see the patterns and connections between health and wellness, both physical and emotional."

Linda Doyle, California

"I just love all the information I can't get enough"

Paula Matheson, United Kingdom
